Dear Mr. Rodarmel:

Thank you for your letter regarding Old Dominion Freight Line, Inc. moving into the terminal facilities formerly occupied by Roadway Express, Inc.

On November 27, 1989, Roadway Express, Inc. was granted a reasonable access route on NC 37 from US 17 east to the Roadway Express terminal on NC 37 east of Edenton. This is to authorize Old Dominion Freight Line, Inc. to use this reasonable access route for STAA vehicles. We have changed our records to show the following approved reasonable access route:

NC 37 from US 17 to the Old Dominion Freight Line, Inc. terminal on NC 37 east of Edenton.

Please let me know if you have any questions or need additional information.

Sincerely,

A handwritten signature in cursive script, reading "C. B. Millikin".
